1. **What is Shipment Details**
   Shipment Details lets you quickly look up shipment information by booking number, bill of lading number, container number, and user reference number (such as purchase order number). You can view shipment details that include status, reference numbers, parties, routing, container&cargo, and etc.

2. **How to use Shipment Details from COSCO SHIPPING Lines website**
   A. **How to entry**
   - COSCO SHIPPING Lines Website: https://elines.coscoshipping.com
   - 

   (Please input your user ID and password to login)

   - Click the party menu [Cargo Tracking]→[Shipment Details]
   

   - System will open a new tab and direct to Shipment Details search page
